It is the 80th Anniversary of the MG T Model

The MG Car Club T Register created a logo to celebrate this historic and momentous event. Your editor will posting this celebratory logo often in the Octagram as an anniversary reminder.

From 'El Presidente'

September is finally here and hopefully some cooler temperatures will be coming soon. I don't know about you, but it's been too damn hot to drive my MGs or to work on them. I just got around to checking out a brake issue on my MGB that turned up on the way home from LANCO's B.I.G. Event. It appears the vacuum line and check valve from the manifold to my brake servo was clogged with gunk forcing me to have to press really hard on the pedal to get the car to slow down during repeated braking use on a hill. The brakes worked fine under normal circumstances.

Moving on, I want to express a big thank you to Duff & Barbara Folwer for hosting the MGOB Summer Party. It was another hot day, but their pool helped cool things down a bit. I also want to thank the members for bringing some fantastic dishes and desserts to be enjoyed with the burgers and hotdogs provided by the club.

Since I brought up September, as most of you know the 37th Annual "MGs On the Rocks" British Car Show is scheduled for Saturday, September 24th at Rocks State Park 4-H Camp. We will need volunteers to help out at the show. We especially need help parking cars on the show field and in the spectator lot. Please contact Jack Long, the show chairman at Jack.Long@iem.com if you can lend a hand.

Looking ahead, planning for MG 2018 is underway. The MGs of Baltimore, Ltd Car will be hosting the North American MGB Register's 27th Annual Convention at the Gettysburg Wyndham Hotel Complex June 17th to 22nd, 2018. This event should draw well over 300 MGs and up to 500 participants. While 2018 may sound like it's far off, it will be here before we know it. We have resumed planning meetings after taking most of the summer off and will be making some field trips this fall to checkout possible activities we may make part of the event. If you are interested in helping with this event please contact me and will add you name to the e-mail list that notifies the current volunteers of our planning meetings which are held at the Carney Rod & Gun Club.

ABOUT US

The MGs of Baltimore, Ltd. Car club was established in 1977. The club represents over 150 members in the Metro Baltimore area. As the name implies, the club centers its activities around the preservation and enjoyment of the cars that bear the classic MG marque.

The club is affiliated with the following national organizations: The North American MGA Register, The North American MGB Register, and The American MGB association. Internationally, the club is affiliated with the MG Car Club and The MG Owners Club.

The clubs activities include sponsorship of the nationally known “MGs on the Rocks” car show, a series of challenging (and FUN) historic car rallies, as well as numerous fun gatherings all through the year.

The club membership meets at 7:30 PM the first Tuesday of every month Johnny Dee's Lounge, 1705 Amuskai Rd, Parkville, MD. Come early (around 6:00 p.m.) and have dinner at the restaurant.

The meetings are about sharing experiences, taking care of club business and normally include a monthly tech session provided by our MG “technical guru” Randy Kegg.

Many members of MGoB are owners of the other classic British marques and all are welcomed to join the club.

For Sale - 1962 MGA MKII project car - Age is different for everybody, I guess, but I'm getting too old for this project car, and will never finish it I have two MGA's ... a 1960 roadster, which is a driver (about a \$ 25K car), and the '62 MK2. I don't need both cars ... my wife can't or won't drive a 4-speed, and my sons don't really have any interest in old cars, or British cars. Better to pass this thing to someone who has an interest in them and can appreciate it for what it is.

I can send a CD with pix and detailed info on the '62 ... it should be worth 35 to 40K when completed. It is SN GHNL2/108410, shipped on 13 April 1962. Originally red with red interior and tan hood, I planned to re-do it in black with a red and black interior. The engine and interior of the the main clip has been sprayed in black, and the doors, trunk lid, and hood have all been done in black by a pro. The rest of the clip is in primer. It was at a pro body shop for over a year, finally brought back home because the body guy was putting my money up his nose, not in the car.

The carbs have been rebuilt (by Joe Curto) and are on the engine, finger-tight. Ceramic coated exhaust manifold, also loosely attached; Moss alternator; Pertronix ignition ... entire engine is now on an engine stand, stored inside a trailer with other large parts ... fenders, etc. My plan is to sell the trailer along with the contents ... this is a 12 foot two wheel utility trailer with a ramp door.

I don't want to give this car away, but there it would be a real sweet deal for someone mechanically inclined, and 50-ish instead of 70-ish like I am. Let me know if your are interested, and you send the CD with all the particulars - contact mgreener@rose.net

The MG of Baltimore's Summer Party was held on 24 August at Barbara and Duff Fowler's home. Many thanks go to them for hosting this year's party. There was outstanding food for all. The pool aided in keeping everyone cool on the hot summer day and the friendly camaraderie made the whole party a huge success. We hope you enjoy the pictures on the next few pages.

Some Humor

A buddy of mine has two tickets for the 2017 Super bowl. Box seats plus air-fares, accommodation etc., but he didn't realize when he bought them that this is going to be on the same day as his wedding - so he can't go.

If you're interested and want to go instead of him, it's at St Peter's Church in New York City at 5pm. Her name's Louise. She will be the one in the white dress.

My boss texted me, "Send me one of your funny jokes."

I replied, "I'm working at the moment, I will send you one later."

He replied, "That was fantastic! Send me another one."

Julie Andrews Turning 79 - This is Hysterical!

To commemorate her birthday, actress/vocalist, Julie Andrews made a special appearance at Manhattan's Radio City Music Hall for the benefit of the AARP. One of the musical numbers she performed was 'My Favorite Things' from the legendary movie 'Sound Of Music'. Here are the lyrics she used:

(Sing It!)

If you sing it, it's especially hysterical!!!

*Botox and nose drops and needles for knitting,
Walkers and handrails and new dental fittings,
Bundles of magazines tied up in string,
These are a few of my favorite things.
Cadillacs and cataracts, hearing aids and glasses,
Polident and Fixodent and false teeth in glasses,
Pacemakers, golf carts and porches with swings,
These are a few of my favorite things.
When the pipes leak, When the bones creak,
When the knees go bad,
I simply remember my favorite things,
And then I don't feel so bad.
Hot tea and crumpets and corn pads for bunions,
No spicy hot food or food cooked with onions,
Bathrobes and heating pads and hot meals they bring
These are a few of my favorite things.
Back pain, confused brains and no need for sinnin',
Thin bones and fractures and hair that is thinnin',
And we won't mention our short shrunken frames,
When we remember our favorite things.
When the joints ache, When the hips break,
When the eyes grow dim,
Then I remember the great life I've had,
And then I don't feel so bad.*

(Ms. Andrews received a standing ovation from the crowd that lasted over four minutes and repeated encores. Please share Ms. Andrews' clever wit and humor with others who would appreciate it.)

EURO AUTO FESTIVAL

TRIBUTE TO BRITISH ROADSTERS #
THE PRESERVE AT VANDAE, GREENVILLE, SC
SATURDAY, OCTOBER 22, 2016

Euro Auto Festival
October 20 - 21, 2016
Dave Sanders

The Euro Auto Festival in Greenville, SC is the largest European/British car show in the Southeast. In 2016 the featured marques are British Roadsters. There are typically over 400 cars and 15,000 paying spectators. The Euro was held at the BMW factory near Greenville through 2104 but moved to The Preserve at Verdae, a golf course adjacent to the Embassy Suites Golf Resort & Conference Center, in 2015 due to the show's growth and BMW's doubling the size of their factory.

Click here for the event website: <http://www.euroautofestival.com>

For 2016 the Euro will be held on 21 and 22 October. The show is held on Saturday. On Friday there are several driving tours offered as well as seminars on tires, collector car insurance, detailing, etc. Seminars are free; there's a nominal charge for the tours to cover the cost of lunch. There's also a reception Friday night (fee) and a dinner Saturday night (fee). Advance reservations are required for all the events.

The Embassy Suites holds a block of rooms for a very reasonable price but they go fast so it's imperative that those who want to attend reserve them well in advance. Included in the rate is the nightly Manager's Reception (drinks and snacks) and a breakfast buffet.

Click here for reservations: <http://www.euroautofestival.com/hotel-accomodations>

The plan is to drive to Greenville on Oct 20 (Thursday). Greenville is about 400 miles away and takes about six hours if one sticks to the interstates. Alternative routes are more fun but take longer. Figure an entire day to get there.

Once in Greenville there are several choices to make on what to do for Friday. There are the aforementioned tours, a visit to the BMW factory and museum, the BMW Performance Center, or a visit to Greenville's excellent downtown.

The show is Saturday and only about 100 yards away from the hotel (reserved parking for entrants.)

Sunday (or Saturday night if you wish) is for the drive home.

Octagram

MG ND - The ND was a special model using unsold MG K2 bodies fitted to the N-Type chassis probably only available in 1934. The number made is uncertain as the model does not seem to have been officially listed.
