Enjoy a
Laid-Back Week in
Northern Michigan

A quaint lakeside village
with great food, 45 wineries,
19 breweries and over
150 exciting shops in the
historic downtown area.

You'll love the fantastic drives through the very scenic
Old Mission Peninsula, and to the gorgeous Sleeping
Bear Dunes. And if you're so inclined, a day-trip to
Mackinaw Island to go back 150 years in time.

We have some very special events planned too.

Registration will be open before the end of the year.
