Many of you knew Larry Heaps and know that he has moved on to a higher plane recently. This is a big loss for the club and for his friends and family. Larry was one of a kind and he's irreplaceable. A **low**

key, casual event is being put together to celebrate Larry's time with us.

The date has been set for Larry Heaps' Celebration of Life on **Sunday, September 13th, 2026**, at the

Joseph L. Davis American Legion
501 St. John Street
Havre De Grace MD 21078

The Celebration Begins at 2:00 p.m. and runs until 5:00 p.m. Refreshments and Lite Fare will be available, as will be Soft Drinks, Beer & Wine. Mix Drinks will be available at a Cash Bar.

Please R.S.V.P. Barbara
at library676@hotmail.com or by phone
at 443-966-0658

Next up is the British Car Club of Delaware's Annual Car Show at Bellanca Airfield Museum scheduled for Saturday, September 12th, 2026, in New Castle, DE at 2 Center Point Blvd 19720. For more info look for an event flier in this issue or go to www.bccdelaware.org

Finally, Volunteers are needed for various jobs, before, during and after "MGs On the Rocks" Please contact either me or Eric Reitz and get your name on the list. We can't continue to put on the show without you.

Safety Fast!

From your humble editor...

Editor's note: *As I type this, I'm getting ready to go and visit my wife and her family in northern Wisconsin. I will be gone for two weeks and won't have any real access to a PC during that time. I am getting as much of the newsletter ready ahead of time, as I can. So, I have no idea what Richard and RJ have in store for us this month, because I haven't gotten their submissions yet. No matter, I'm sure it will be great. It always is.*

Welcome to the August issue of the OCTAGRAM. I hope you all had a chance to cool off last month, cause in August things begin to heat up again on the LBC calendar. We've got the **MGoB Annual Pool Party** on Sunday the 2nd. Make sure you're at **Lanco's Taste of Britian** show up in PA on the 16th...unless you're already up in Canada for **MG103Fest**, August 14 – 16. Then, the month ends nicely with the **MG International** in Sandusky, OH from the 24th – 27th of August. Lot's of great shows out there!

I, myself, spent a good deal of July out in my garage...at least, until I couldn't stand the heat anymore! You might not know, but I recently acquired Kurt Nagl's old MGB-GT. I've have been working on getting her back on the road, since she was a non-runner when I got her. A new starter motor and float needles seemed to do the trick and she's running pretty well. However, like all 60 year old cars, there are a dozen other things that need attending to...like brakes, coolant, lights, etc. Each of those items invariably reveals or causes an additional half dozen other things to break. (Don't even talk to me about 60 year old, heat baked, wiring!) Some days, you really do feel like you're going backwards. Oh well, "persevere we shall, as persevere we must!"

As always, please make plans to join us at the **MGoB Monthly Club Meeting** and Dinner at Johnny Dee's Lounge, first Tuesday of every month. This month's meeting is on August 4th. Be sure to check the Calander and flyers in every issue of The Octagram for details on this and all MG related events.

Well, that's all I've got for now. I hope to see you out there on the road. Until then, be safe, make haste slowly, and...

Don't forget to check the oil!

MG has a hundred proving grounds. With names like Sebring, LeMans, Lime Rock, Watkins Glen, Daytona and Brooklands.

From our first Gold Medal in the 1925 London-to-Land's End Trial to our latest SCCA victories, MGs have been racing and winning for 50 years. The significance of this is strong and simple, like MG itself. Because MGs are built with the idea that any production car may well be asked to compete, every MG just naturally performs better in everyday driving. For instance, you can get around a corner without direct rack and pinion steering, but you'll get there quicker and more accurately if you have it. MGB's competition breeding gives you this advantage and many others. Consider front disc brakes, 1700 cc overhead valve engine, 4-speed all-synchromesh transmission and authentic sports car suspension and balance and road-feel. (MGs took the SCCA title in their class three years running. Such consistent success is not a matter of luck.) Everything MG has learned in 50 years of successful competition on the toughest tracks in the world is waiting for you at your MG dealer. Call, toll-free, for the name of the dealer nearest you: (800) 447-4700, or, in Illinois, (800) 322-4400.

Exhausting Opportunities

rj

I was thinking about the club the other day and it has me reflecting on the past years and upcoming opportunities. After all, I've got \$20 of cold hard cash invested in my membership and I want to make damn sure I get my money's worth. And we can't forget that membership in MGOB includes an invitation to all LEL (*League of Extraordinary Loafers*) events. ***You've got to love the LEL an organization with no officers, or rules and dedicated to wasting time and money.***

It

started in January, with the annual After

Christmas Feast. You have to love MGOB, a club that travels on its stomach. Members ignore all the weight gained over the past holiday and put out one more amazing spread. It's a buffet where there is no way to sample just a little bit of everything, there's just too much good stuff. ***There's even presents!***

Not to be outdone by the Yuletide feast, the annual ***CHILLY RUN*** occurs the very next month. This year Tina and Steve hosted it on a beautiful winters day. I love it when the theme changes to SPICEY foods. Folks got creative this year with combinations I've not seen and of course the dessert table is over the top. ***And there were presents and Awards!***

There was the winter LEL lunch hosted by Jim and Bonnie. I use this as an opportunity to take a winter drive and makes sure Carole's LBC stays exercised.

No where I know of other than the MGOB's spring rolling tech session can you have people that know what they're doing evaluate your

car problems (*There's usually a lot*) and possibly fix them for free. God bless Larry for making his precious time and garage available to get all the LBCs on the road. **Thanks Partner!** Next year we're going to need new site, I believe Chuck has considered having the next one at his estate.

Now that your car has been corrected at Larry's, it ready to head off to the **Dust-off Rallye**. We are blessed by having two experienced Rallye Masters amongst our clan. Eric and Chris just do an awesome job creating a great ride through MD and PA backroads. And of course, **there's awards and presents!** The Dust-off is always the first Sunday in May. So, mark this date on your calendar.

Looks like other LEL members are thinking of new diversions for spending time and money. Doug just did a ride up to Jack Merryman's and Stuart's shops in

Hanover last month. Everyone said it was a good ride. Last meeting I heard Travis say he wanted to do a tour of Tokar's shop and perhaps visit to a dangerously high sliding board made of wood? (*Beware the splinters*). I also know that Alan has an "in" to getting a tour of a very high-end resto shop. Something to make sure you see! (*I have seen it; you will be VERY impressed*).

This year the club had an opportunity to join in two contests where winners were rewarded. The first was the **Travel Tool Kit** competition. Together, not only did we compile an

excellent list of tools and spares to carry, but it set the table for Chris (*Our Excellent Tech Guru*) to teach us all how to use said tools, bits, and

bobs we have in our kits. The first ever **Super Fabulous Photo Contest** winners earned **presidential awards** for their pics of their LBC's. The contest was cool and we may have to repeat it say in the fall when the leaves turn. Which reminds me to tell you to mark Saturday October 17 on your calendars. I believe this is the date for TRAC's Rallye/Poker Run/Leap-Peep Tour.

(Super Fabulous Winners: John, John, Eric, Steve, Travis, Duff) (See pics)

Friendships are the best payoff for being in the club. (*Especially for active members*). If you read last month's [Exhaust Note](#), you read about our latest road-trip. Think about it, without MGOB, these people would not have met, and a great road-trip would have been missed. (more pics)

Another out of the blue pop-up happened for us this year as the St. George's Society

invited us to their latest gathering. (See Pictures) While I wasn't all that interested in the World Cup, meeting up with these guys and their fancy luncheon while watching what I will call "Horse Soccer" was quite amusing. (See Pics)

Im really looking forward to the club's annual Pool Party on Sunday (8/2). Hosted again by Clint and Beth. Clint cooks up a

mean double cheeseburger and with all the other members providing picnic goodies it's assured I won't go hungry. It's also a mini car show thanks to their very open backyard.

September means *Rocks* and while you could attend as a non-member of MGOB I find like working the show with all the other folks makes it more fun. It's number **47** for the ***Longest Continuous Running of its Kind in the World***. Same time, place, club sponsor and strictly British for 47 wonderful years. Neither hurricane, terrorists nor plagues shall stop this club from holding this gathering.

This Fall be prepared to see a continuation of our air guns shoots. I believe we'll be meeting at Duff's house for this next one. I'm thinking there may be other LEL driving or other gatherings before the holidays arrive. Of course, the holiday will feature our annual Christmas Trivia Luncheon and the Christmas Red Ryder Daisy "*Don't Put Your Eye Out*" BB gun shoot.

In summary, I guess I'm getting a lot of value out of my \$20 bucks! Hope you feel the same way.

Exhausted now; if you haven't already you can listen to the tune I embedded in the title.

MG-TF Project Car for Sale

"This MG TF was purchased disassembled from Ed Kraft, Modern Classics many years ago and was in the process of being restored by my husband. Includes newly chromed details, powder coated frame, powder coated leaf springs, and powder coated rear drivetrain. Metal body panels and ash wood frame in good shape. Worth a closer inspection by a MG TF enthusiast. **Asking \$4,000.**"

1975 50th anniversary MG Midget

"I've enjoyed driving it for 4 years and 3,000 miles, but that's no longer possible due to recent health issues. The odometer now reads 38,000 miles.

The body looks straight, no dents, holes, or visible rust, but I think it has some Bondo. It had been repainted, but not a quality job. First gear synchros are worn. Ignition switch works but needs repairs. The convertible top is rough, but the removable hardtop is in good condition. The interior is good except driver's footwell carpeting. I installed new leaf spring bushings and brake calipers.

1973 MGB Roadster

"This UNRESTORED CLASSIC 1973 MGB is an exceptional, essentially like "new", ONE OWNER garage kept beauty, with only 33,689 original miles that runs very strong. A past "Queen B" with the American MGB Association and holder of many car show prizes. Initially from PA, we purchased the B new from Wingenroth Motors, Adamstown, PA May of '73. Harvest Gold, very dark navy / black interior, straight car, has never been hit. Spring is here and if you want a B you can fully enjoy from the first turn of the key, this is the one! Simply, A GREAT CAR; but, my wife and I are in our late '70's with health challenges and it is time for the B to have a new pilot. We reside in Hudson, Ohio and if you are interested and wish to discuss pricing, have questions or would like additional info/pictures please contact us / Linda & Phil Bortz 330-414-1751 (cell) or philbortz@gmail.com. Registration for the 2026 Put-in-Bay Sports Car Races is Now Open! Event to Feature All British Marqueses

Put-in-Bay, OH – January 1, 2026 -- Organizers of the Put-in-Bay Sports Car Races are pleased to announce that registration is now open for the 2026 event to be held September 15-17. Registration materials can be found at the event's official website: www.pibroadrace.com. "Featured marques" for the 2026 Put-in-Bay races will simply be all British-made vintage cars.

For those not familiar with the Put-in-Bay event, here are a few things that make it unique:

- Today's annual **Put-in-Bay Vintage Sports Car Races** event evolved from a modest 2009 "reunion" event, celebrating sports car races that took place at Put-in-Bay back in the 1950s and early '60s
- Today's event is renowned for its relaxed atmosphere and a "competitive but respectful" vintage race environment – much like it was back in the 1950s. It takes place on Ohio's South Bass Island, a 20-minute ferry ride. www.millerferry.com
- Two days of vintage racing take place at the Put-in-Bay Airport whose runway and taxiways provide a challenging and competitive 1.13-mile hay bale lined course that rewards precise braking and nimble handling.
- **Race entry options** are available for qualified under 3-liter vintage sports cars, sedans and open-wheel cars primarily built prior to 1973. There are also race entry options for larger displacement cars (by application) and for appropriate cars produced as late as 1990 that meet vintage racing preparation rules.
- An available **Exhibition class** provides track time for drivers seeking a track experience without all the demands of a race setting.
- There are also **entry options for non-racing entrants** with "Heritage street cars" (street versions of the race cars) and for "Guest street cars" (later sports cars and sporty sedans).
- Rules and requirements for all the above are available at www.pibroadrace.com
- Besides two days of racing (on September 16 & 17), there is also an all-entrants' car show, police-escorted tour-laps of the original '50s era road course, "spirited" pace-car led touring laps of the airport race-course for the non-racing entrants, social gatherings including a wine & cheese reception at Heineman's Winery, an optional non-racers/guests luncheon, and the highly competitive and entertaining "rocker cover races" at The Goat Soup & Whiskey.
- And finally entrants and spectators are encouraged to get into the spirit of the event by wearing vintage-inspired attire, however they interpret that to be.

See www.pibroadrace.com for answers to "FAQs", further details about eligibility, and registration materials (both mail-in and online options are available).

And finally, to participate in the ongoing conversation about the Put-in-Bay Sports Car Races, please join our the Put-in-Bay Sports Car Races page on Facebook (easy to find).

Early registration discounts expire June 1, 2026.

SUNDAY, SEPTEMBER 27TH
GENTLEMANS DRIVE.COM

An on-road motoring fundraising event,
uniting classic cars built 40 years or
older, encouraging drivers and
passengers around the world to dress
dapper and drive for men's health.

Save the Date!

Drive with other antique cars to raise money for prostate cancer and men's mental health. We will start at the Collector's Car Corral in Owings Mills, drive on scenic roads and end at a brewery, all within Baltimore County. A professional photographer will be on hand to take photos of drivers and their cars for a nominal fee. Registration for the event will be open soon: see more details at Gentlemansdrive.com Questions can be directed to MGOB member Cliff Essman at Cliff218@gmail.com
